

**Amendments to the Drawings**

A replacement sheet for Fig. 1 is enclosed which formalize the drawing which was submitted with the application. No other changes have been made.

### REMARKS

A replacement sheet for Fig. 1 is enclosed which formalizes this drawing. Approval by the Examiner is respectfully requested.

Claims 11-20 have been cancelled as being drawing to a non-elected invention.

Claims 1-10 were provisionally rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-13 of copending Application No. 10/663,578. Applicants submit a terminal disclaimer herewith which is believed to overcome this rejection.

If there are any problems with these changes, Applicants' attorney would appreciate a telephone call. Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Raymond L. Owens', written over a horizontal line.
